Diagram illustrating a device with a rectangular body 10 and a curved member 30. The rectangular body 10 includes two circular features 10a and 10b, and a protrusion 10p. A curved member 30 is connected to the protrusion 10p via a curved path S. The curved member 30 includes a circular feature R with a small protrusion 32, and four circular features P1, P2, P3, and P4. Arrows indicate a path from P1 to P2 to P3 to P4.
